

D.I. Parent/Student Interest Form

DestinationImagiNation
The most important course in education.

YES!!! I want to be a part of the fun!

Student Name _____ Grade _____ Teacher _____

Phone Number _____

Have you ever been on a creative problem-solving team (D.I.) before? Yes/No
If so, which Challenges have you done in the past?

Who are the other members of your team for this year?
Please list first and last names.

Who will be your team manager(s)?

Dear DI Parents: DI is only made possible by the active support of people like you! Each team (of 5-7 wonderful kids!) needs a minimum of 1 team manager. For those new and returning to our program, DI does offer local training workshops to help! In addition, each team competing in our regional spring tournament is required to provide 1 appraiser/judge (can be a neighbor, relative, student teacher, high school senior needing community service hours, ANYONE who loves kids) and 1 tournament volunteer. Please consider your part in making our program a success!

Please print clearly.
