

# Sparthenian Reader Award

The purpose of the **Sparthenian Reader Award** is to acknowledge and reward those students who pursue reading outside of the school day. Students in grades 2-6 earn points toward grade level Sparthenian Reader Award through the Accelerated Reader quizzes. As of the final date for Sparthenian Reader points, students must have an average percentage correct rate of 80% or higher for primary and 85% or higher for upper grade on their year-to-date AR quizzes. First grade students will keep a reading log and must complete 100 books to earn the Sparthenian Reader Award.

Students who meet the **Sparthenian Reader Award** criteria for their grade level will be invited to a year-end celebration, and receive the **Sparthenian Reader Award** at a year-end awards assembly.
