## Thomas Talks

Marlins,  
It has been my honor to serve as Principal of Fugman for the past 3 years. As you know I was recently appointed to the position of Deputy Principal at the Reagan Educational Center. I leave knowing that a great leader has been appointed to Fugman. Please welcome Michael Olson as Fugman's next principal. Michael is an incredible leader who served as an elementary teacher in the Clovis North Area at both Copper Hills and Riverview. Michael moved on to GIS at Fancher Creek Elementary in the Clovis East area and now serves as a Learning Director at the Reagan Educational Center over student discipline and 7-8 grade Special Education. Michael is bright, relational, fun, energetic and an incredible leader with a strong background in curriculum and instruction. It's an honor to hand over this district's BEST school to Michael. Please welcome Michael as you see him on campus over the next few months. Once a Marlin, ALWAYS a Marlin.

## Thoughtful Thursday—Citizenship

We've talked before about Mohandas Gandhi—hero from India who believed love is more powerful than violence. Once when he was traveling in South Africa, he bought a first-class ticket on a train, but because he had dark skin he was made to sit with the luggage. This made him very angry, but Gandhi made a very smart choice: he used his mind and his training as a lawyer to sue the railroad company. He won, and the laws changed so that all people—no matter the color of their skin—could sit in the seats for which they bought a ticket.

Today, remember that if someone does something wrong to you, you can use that brain of yours to find a way to make things right. You don't need to use violent words or actions.

Talk to someone you trust, and together you can find a better way.

## GATE UPDATE

The GATE meeting originally scheduled on Jan. 22nd has been moved to Jan. 29th @ 7:30 in the Tech Lab.

## REMIND APP

Due to a new fee imposed by Verizon, Remind can no longer continue providing free text notifications for devices on the Verizon Wireless network. As a result, Verizon Wireless customers who use the free Remind service will not be able to receive or send text messages as of January 28, 2019.

Please note that this disruption does *not* affect organizations with a [Remind School and District plan](#).

### How to keep using Remind

If you have Verizon Wireless as your phone carrier and currently receive Remind messages by text, download the app or turn on email notifications for your account. Or, if your class includes participants who may be affected by the service disruption, ask them to do the same by sharing the following instructions.

Both of these options are **free of charge**.

On your phone: Turn on smartphone notifications (RECOMMENDED)

Download the free Remind app on the iOS App Store, on Google Play, or at [rmd.me/a](#). If you don't already have a Remind account, create one using the phone number where you receive Remind texts. Make sure to [enable push notifications from Remind on your phone](#).

On your computer: Turn on email notifications

Go to [Remind.com](#) on any computer. As above, if you don't already have a Remind account, create one using the phone number where you receive Remind texts. [Turn on email notifications for your account](#) so you don't miss any messages.

## SchoolStore.com Fundraiser

This year we are partnering with SchoolStore to raise funds to help purchase tools our students and teachers need to succeed. SchoolStore is an online shopping mall where over 350 nationally-known merchants have agreed to give a percentage of sales to K-12 schools. Companies like Walmart, Sears, Target, Disney Store, Family Book Store and Barnes & Noble participate. Look for an envelope coming home with your student for more information. Deadline for the first prize is Thursday, Jan 24.

## CULTURAL CORNER

Martin Luther King Day is a federal holiday held on the third Monday of January. It celebrates the life and achievements of Dr. Martin Luther King Jr. Martin Luther King Jr. was an important civil rights activist. He was a leader in the movement to end racial segregation in the United States. His most famous speech was the "I Have a Dream" speech. He was an advocate of non-violent protests and became the youngest man to be awarded the Nobel Peace Prize.

Marlins, this week we're asking: **What was the name of Martin Luther King's famous speech?** Place one answer slip in a Cultural Corner box by the end of the school day this Thursday for your chance to win a prize and have your picture displayed in a "Cultural Corner Cove" in the hallway. Your Student Council members will select 1 primary and 1 upper grade student from a raffle during Friday morning announcements.

## Soren Bennick's The Power of One™

### **A bullying-proofing performance for elementary school children**

The Power of One is a series of skits presented by actors who use boxes, colors, and masks to vividly portray what bullying is, what can be done about it, and how every child has the power of one, the power to report and deal with bullying when they see it. The Power of One:

- Explains the roles in bullying: Bully, Target, Bystander, and Upstander
- Shows vivid examples of different types of bullying: Physical, Verbal, Exclusion, and Cyber bullying
- Alerts children that Targets need help and shows them how to be Upstanders rather than Bystanders
- Provides solutions to bullying including reporting, intervening, and assisting the Target
- Emphasizes the need for individuals to take action to make their community a safer, better place

Refers children to parents, adults, and teachers for further assistance and instruction
