Thoughtful Thursday— Character

From the time we are small children, our parents, grandparents, caregivers, and teacher try to help us become responsible and caring adults. They teach us simple rules for living, rules like "share with others", "don't hit", and "put things back where they belong." These rules are meant to help us develop our character—to become good people who make wise choices.

Listen to the words a young Anne Frank wrote in her famous diary:

...the final forming of a person's character lies in their own hands.

You decide the kind of person you will become. Others will teach you right from wrong, but in the end, it's in your hands. You have to choose to do what's good and right. It's a choice no one else can make for you.

Remember this: In the end, each one of us must choose to be a responsible and caring person. It's a choice no one else can make for you.

6th Grade Baby Pictures

Our Marlin Babies are growing up!!! This is the year that we love to put your precious 6th grader's baby picture in the yearbook. As you know from prior years, this is a great keepsake for your 6th grader. The deadline to submit their baby picture is November 1st. We will not be able to accept late submissions. We will only be accepting these pictures by email to fugmanyearbook@gmail.com (.JPEG or PDF). **In order to make sure all pictures and emails are accounted for, you MUST turn in the bottom half of the form so we can match it with the email. If both are not sent by the deadline, the picture will not be added (extra forms are in the Office).**

Please label the photos with your child's first and last name and the word baby.

- For example: JohnSmithbaby

Please do not hesitate to contact us if you have any questions.

CULTURAL CORNER

November 11th is Veteran's Day, an annual U.S. federal holiday honoring military veterans. The date is also celebrated as Remembrance Day in other parts of the world and commemorates the ending of the First World War in 1918. Veteran's Day is not to be confused with Memorial Day; Veteran's Day celebrates the service of all U.S. military veterans, while Memorial Day is a day of remembering the men and women who gave their lives while in service.

Marlins, this week we're asking: **When is Veteran's Day honored in the U.S?** Place one answer slip in a Cultural Corner box by the end of the school day this Thursday for your chance to win a prize and have your picture displayed in a "Cultural Corner Cove" in the hallway. Your Student Council members will select 1 primary and 1 upper grade student from a raffle during Friday morning announcements.

Did you know the Fugman Concert Choir travels?

Our awesome choir is getting ready for their first singing event of the year, and it's coming up quickly! The Clovis North Area Elementary Fall Choral Workshop is **Thursday, November 8 from 9:00 - 10:30 a.m. at the Paul Shaghoian Concert Hall on the Clovis North Campus.** Students will perform for the other choirs in the Clovis North Area, and will also have the opportunity to hear the other schools perform. They will meet Mr. Garcia, the Granite Ridge choir teacher, and Mrs. Bishop, the Clovis North Choir teacher, who will be judging the performances and giving feedback on how each choir can improve. The 5th and 6th graders have been singing their hearts out, and are looking forward to their first event!
