## Thoughtful Thursday— Helping Others

These are the words from famous American comedian Danny Thomas. Mr. Thomas spent a lifetime giving his time to St. Jude's Children's Hospital, a hospital where all children—rich and poor alike—can get the medical care they need. He says,

**Success in life has nothing to do with what you gain in life or accomplish for yourself. It's what you do for others.**

Today, take a little time to do something special for someone else. Give someone a pat on the back or offer kind words of support. Do an extra chore at home or offer to help a teacher. Remember, learning to be a truly successful person is learning to be a person who cares about others.

## CULTURAL CORNER

The United Nations' International Day of Persons with Disabilities is celebrated annually on December 3<sup>rd</sup> around the world. It has been celebrated since 1992. The United Nations developed the Convention on the Rights of Persons with Disabilities in 2006 in an agreement to help make sure that people with disabilities are treated fairly and can participate equally in all aspects of life.

Marlins, this week we're asking: **When is the International Day of Persons with Disabilities celebrated around the world?** Place one answer slip in a Cultural Corner box by the end of the school day this Thursday for your chance to win a prize and have your picture displayed in a "Cultural Corner Cove" in the hallway. Your Student Council members will select 1 primary and 1 upper grade student from a raffle during Friday morning announcements.

## MARLIN REMINDERS:

Fugman is a very busy campus and each of our classrooms are at or near capacity. We appreciate our parents' help to minimize classroom interruptions. Here is how you can help:

- Campus opens at 8:00 am. Please be sure your child is not on campus unsupervised before that time.
- School is out at 3:15 M/T/TH/F and 1:45 on Wednesdays. Sports practice ends at 4:20. Thank you for making arrangements for a timely pick up from school.
- Please plan appointments outside of school hours, if possible.
- Please communicate with your child's teacher if you are checking your child out early.
- If you are checking your child out early from school, please call 15 mins before you arrive to ensure your child is ready.
- Please have a lunch plan in place before you drop your child off for the day. Cold lunches can be left on the back cabinet by the Nurse's Office. We no longer leave lunches on the front table. We want to make sure the correct student gets their lunch.

Fugman and the Fresno State College of Science and Mathematics

Collaborate!

We are excited to be in a partnership with Fresno State's College of Science and Mathematics to bring hands on science to our 5<sup>th</sup> and 6<sup>th</sup> grade students. We are excited to establish this new relationship and look forward to more collaboration in this area. Our first opportunity will be with 5<sup>th</sup>/6<sup>th</sup> grade students. On Tuesday, December 6<sup>th</sup> students from Fresno State will be here to offer an after school class. Communication will be from your child's teacher. We look forward to offering more opportunities in this area to more students!
