Another reminder regarding safety. We all desire our campus to be a safe environment for our students. Safety starts with adults. It is the job of all adults including principal, GIS, teachers, staff, and parents to keep our students safe. Please remember when driving to school you are in a school zone. The speed limit in a school zone is 25 mph. I suggest moving more slowly when you are closer to start times as there are so many students and you can never be too safe. Unfortunately, our crosswalks have become an extremely dangerous location. I am asking for extreme caution when coming to either of our crosswalks. When a crossing guard is in the crosswalk, regardless of where the guard is in that crosswalk, it is illegal to continue our vehicle through the crosswalk. It is very confusing and completely unsafe for students who see the crossing guard step out to cross and then have cars speed through the crosswalk before children step out. Children are being trained to not step into the crosswalk until the crossing guard has waved them on because of the unpredictability of drivers. Please be cautious during drop off and pick up times. We have had so many narrow escapes with students who utilize our crosswalks. Slowing down, being patient, and planning ahead make all of the difference in keep our children safe.

Thoughtful Thursday— Usefulness

Dr. Anna Arnold Hedgeman was the granddaughter of slaves, yet she become a leader in the government and in the community, both here in America and in other countries.

Listen to what she has to say about a family ritual she enjoyed as a child. She says,

*...at night you reported on how you had been useful. Useful was always the word...useful to yourself...and useful to life.**

In other words, family members reported on how they had been helpful that day...what they had gotten done...how they had made life better.

Tonight, before you close your eyes to sleep, remember Dr. Hedgeman and ask yourself this: How did I make things better for myself and others today?

PTC UPDATES

Parent Directory

This year the PTC is excited to provide an online directory to help keep our Fugman families connected! In order to make the directory a helpful resource, we hope all parents will take a moment to fill out the form - it only takes a minute. All PTC Members will be sent an access code by November 1.

To include your family's information in the directory please:

Go to: www.join.myschoolanywhere.com

Enter Code: Fugman2018

Enter as much or as little information as you like.

California Pizza Kitchen

Present your Philanthropizza Card during your purchase from November 1, 2018 through February 28, 2019 and Fugman PTC will receive 20% of the total purchased from food or drinks.

Fugman and the Fresno State College of Science and Mathematics

Collaborate!

We are excited to be in a partnership with Fresno State's College of Science and Mathematics to bring hands on science to our 5th and 6th grade students. We are excited to establish this new relationship and look forward to more collaboration in this area. Our first opportunity will be with 5th/6th grade students. On Tuesday, December 4th students from Fresno State will be here to offer an after school class. Communication will be from your child's teacher. We look forward to offering more opportunities in this area to more students!

CULTURAL CORNER

In the Jewish culture, a holiday called Hanukkah will be celebrated from Sunday December 2nd through sunset on December 10th this year. Hanukkah, also known as the Festival of Lights, is an eight-day Jewish celebration. It is observed by lighting candles on a candle holder called a Menorah—one for each day of the festival. Other Hanukkah festivities include playing dreidel and eating oil-based foods such as latkes (potato pancakes).

Marlins, this week we're asking **how many days are celebrated during the Festival of Lights?** Place one answer slip in a Cultural Corner box by the end of the school day this Thursday for your chance to win a prize and have your picture displayed in a "Cultural Corner Cove" in the hallway. Your Student Council members will select 1 primary and 1 upper grade student from a raffle during Friday morning announcements.

MARLIN REMINDERS:

Fugman is a very busy campus and each of our classrooms are at or near capacity. We appreciate our parents' help to minimize classroom interruptions. Here is how you can help:

- Campus opens at 8:00 am. Please be sure your child is not on campus unsupervised before that time.
- School is out at 3:15 M/T/TH/F and 1:45 on Wednesdays. Sports practice ends at 4:20. Thank you for making arrangements for a timely pick up from school.
- Please plan appointments outside of school hours, if possible.
- Please communicate with your child's teacher if you are checking your child out early.
- If you are checking your child out early from school, please call 15 mins before you arrive to ensure your child is ready.
- Please have a lunch plan in place before you drop your child off for the day. Cold lunches can be left on the back cabinet by the Nurse's Office. We no longer leave lunches on the front table. We want to make sure the correct student gets their lunch.
