## Thoughtful Thursday— Dealing with Anger

There's an old Italian proverb:

*Who seeks a quarrel will find it near at hand.*

In other words, if you are "itching to fight," the chances are very good that you'll find someone to fight with...probably someone close. But before someone gets hurt and you do something you wish you hadn't, hold on a minute.

Next time you are about to hit somebody, stop. Take a deep breath. Then take another deep breath. Then go hit a pillow, or take a walk, or slam a basketball, or stand in a closet and scream. After you calm down a little, find someone to talk to—a counselor, a teacher, a friend— and take a look at what made you so angry. Remember, if you're looking for a fight, you're sure to find one. And there's nothing cool about being a hothead.

## PTC UPDATES

Share the warmth this season and join the Fugman PTC in our sweat suit drive to benefit the local Marjaree Mason Center! Starting December 13-20th, we are asking families to bring a donation of a new, unwrapped sweat suit (sweat shirt top and bottom) to the donation box in the front office. All sizes are needed including newborn, children's and adult small-3x. You can pick these up anywhere - Target, Walmart, Amazon, Macy's or Kohls are all great options! Or, if you don't have time to shop, consider making a cash donation and we will do the shopping for you! Cash donation link:

<https://squareup.com/store/fugman-elementary-ptc>. 100% of your cash donation will go towards the purchase of sweat suits!

The Marjaree Mason Center provides emergency and long-term safe housing and many other services for local victims of domestic violence. Many of the families come to the Marjaree Mason Center with just the clothes on their back. A nice, warm sweat suit can provide comfort to these families in need this holiday season

## Holiday Treats for Class Parties

In an effort to all children to enjoy treats at our holiday party, it is important to have food ingredients checked to ensure the safety of all students. To make this process easier and to allow time to check ingredients and cross reference those with allergies, we are asking that by Wednesday, December 12<sup>th</sup> an ingredient list any food item planned on being served at a classroom holiday party be submitted to the Health Office for review. This gives us enough time to review, approve and clarify before parties take place. Feel free to submit your ingredient list earlier. Work with the room mom to streamline what parents are bringing. Often times, students end up with so many sweet treats they cannot eat them all. We will continue to work to streamline this process for our community, students, and staff. Thank you for your help with this. We want all children to enjoy class parties while also staying safe.
