Thoughtful Thursday— CHARACTER

Listen Up! This book title is really funny: *Always Wear Clean Underwear and Other Ways Parents Say "I Love You."*

In it, Rabbi Marc Gellman writes that one reason parents tell you to wear clean underwear is that they want you to learn a very important lesson in life. So what's that lesson?

What people don't see about you should be as good as what people do see about you.

In other words, it's just as important to look good on the inside as it is to look good on the outside. Actually, it's even more important, don't you think?

Choose to do the things that make you look good on the inside. Be kind to others, be honest, and be the best you can be. Then you'll look really good from the inside out.

REGISTRATION FOR KINDERGARTEN AND TRANSITIONAL KINDERGARTEN

Kindergarten registration for 2019-2020 school year will be held daily, beginning Wednesday, March 6th, 2019 at all elementary schools in the Clovis Unified School District. To be eligible to register for kindergarten, a child must reach five (5) years of age on or before September 1, 2019.

This year, our school sites will be utilizing an online pre-registration process. The pre-registration process will be available Wednesday, February 27, 2019, and can be accessed on the CUSD website. Parents will be able to fill out their child's registration form and make an appointment to drop off enrollment documents to their resident school. If parent(s) or guardian(s) need help with the online pre-registration process, they may go to their resident school during school hours beginning Wednesday, March 6, 2019. Transitional Kindergarten will be offered for 2019-2020 school year. If your child will turn five (5) between the dates of September 2 and December 2, 2019, you can enroll him/her in Clovis Unified for Transitional Kindergarten.

History Day

Thanks to all History Day participants and their families for their hard work this year. The projects were amazing! The following students have earned Fugman Top Honors, and will be representing us at **Fresno County History Day** this spring. From fourth and fifth grade we have Aidan P., Priya P., Madison A., Kylie M., Vivaan N., Ella S., Kate S., Kylene K., Armen K., and Eddie K. Our sixth grade Junior Division Winners are Amulya N., Shreya V., Kaitlin L., Ava M., and Makena S. Way to go Marlins!

If you would like to see all of the History Day projects under one roof, please join us for the **Fugman Science Fair/History Day Open House** on Wednesday, February 21. So proud of our Fugman students!

Holiday Party Protocol

In order to allow time to check ingredients and allergies, we are asking that by **Wednesday, February 6th**, all rooms who plan to serve any food, snacks or drinks submit ingredient lists for all items to the nurse office for review. This gives us enough time to review, approve, clarify, and return before parties take place on February 14th. Feel free to submit earlier so you may place orders. Thank you for keeping our school safe for all students. Please contact your room mom with questions.

CULTURAL CORNER

Valentine's Day is celebrated every February 14th across the United States and in other places around the world such as Canada, Mexico, the United Kingdom, France, Australia, Denmark, Italy, and Japan. Candy, flowers, and gifts are often exchanged between friends and loved ones. According to the Greeting Card Association, about 145 million Valentine's Day cards are sent out every year in the United States. That does not include classroom valentines. This means that Valentine's Day is the second largest card-sending holiday of the year. The most popular seasonal card-sending holiday is Christmas. Marlins, this week we're asking: **About how many Valentine's Day cards are sent out each year?** Place one answer slip in a Cultural Corner box by the end of the school day this Thursday for your chance to win a prize and have your picture displayed in a "Cultural Corner Cove" in the hallway. Your Student Council members will select 1 primary and 1 upper grade student from a raffle during Friday morning announcements.

As noted earlier in the year, the Block F committee has decided that Intramurals will be allowed to be counted twice on the Block F form. The Block "F" committee reviews requirements each year and adjusts as needed.

The Intramural Sports program will be offered 3 times this year and is intended to fulfil two of the Block F requirements. Intramural games are played during the lunch recess on designated days of the week. Intramurals will be held on 10 consecutive days. - Participating in all 10 days (see calendar below)**
- Code of Participation regarding attendance and behavior applies to intramurals
