

# Cardboard Tube Roller Coasters

## Materials Needed:

- Paper towel and/or bathroom tissue rolls
- Masking tape rolls
- Styrofoam cups - two for each team
- Scissors
- Any other items you think teams might need (pipe cleaners, popsicle sticks, tube insulation, cardboard, paper plates, etc.)

## Roller Coaster Requirements

- at least one hill
- at least one loop
- at least one curve
- your coaster must be "free standing"
- your marble must travel from start to end without falling off the track
